2. We have agreed on the following principles of thesis supervision:

Student:

Supervisor:

<ul style="list-style-type: none"> • I prepare for the supervision meetings in advance. • I try to observe the agreed schedule in my studies. I let my supervisor know immediately if the timetable for the progress of my thesis is changed. • I deliver any agreed parts of my thesis to my supervisor and opponent so they can familiarise themselves with them well before the supervision meetings. • I try to take into account any comments given by my supervisor as regards background materials, methods, presentations, progress with the thesis and possible publication of parts of the thesis, among other things. • I discuss the progress of my studies with my supervisor. • I follow the ethical guidelines of the University of Oulu in my work. 	<ul style="list-style-type: none"> • I prepare for the supervision meetings in advance. • I try to observe the agreed schedule in my work as a supervisor. I will let my supervisee know immediately, if my possibilities to provide supervision are changed essentially. • I familiarise myself thoroughly with the texts and other materials delivered to me for comments before each supervision meeting. • I also offer my supervisee opportunities for supervision other than the group meetings. • I follow the ethical guidelines of the University of Oulu in my work.
